

Hello, I am Ido

I am a web developer

Ido Abramsohn

ido.abramsohn@gmail.com | linkedin.com/in/idoabramsohn/
github.com/abramsohn | (917) 531-1705

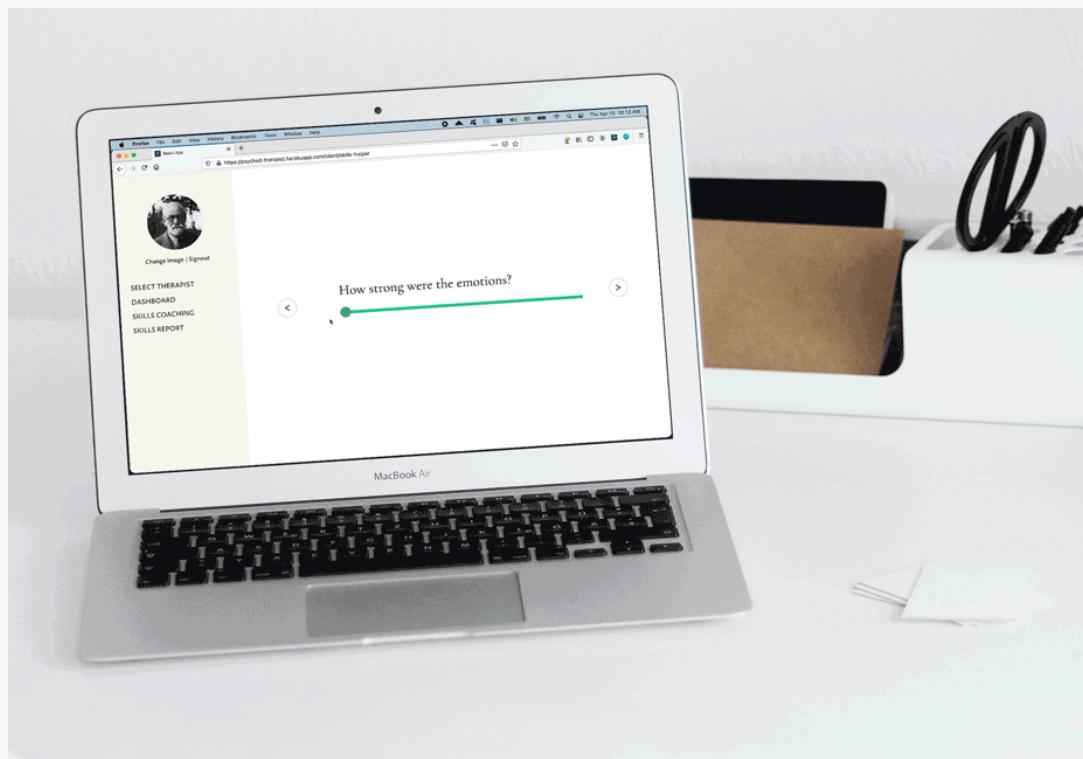

I am a full-stack web developer, aspiring to deliver products that solve problems and improve consumers' experience. My focus, reliability, and passion for perpetual learning, along with my experience as a fine-art producer, make me an inherently creative developer who strives for high standard production.

Languages JavaScript, HTML, CSS, Python, Ruby, SQL

Frameworks React, Node.js, Express.js, Ruby on Rails, Django

Database MongoDB, PostgreSQL, MySQL, Prisma ORM, Mongoose ODM

Psyched

Psyched is a fullstack app that helps DBT clients to practice skills for managing emotions. While clients acquire skills in groups, the app helps to support practice and generalization.

Frame Designer

An interactive framing preview that was designed as a module for a framing e-commerce app. The user can adjust the proportions of the image, white border, and molding in order to get a preview of the framed piece.

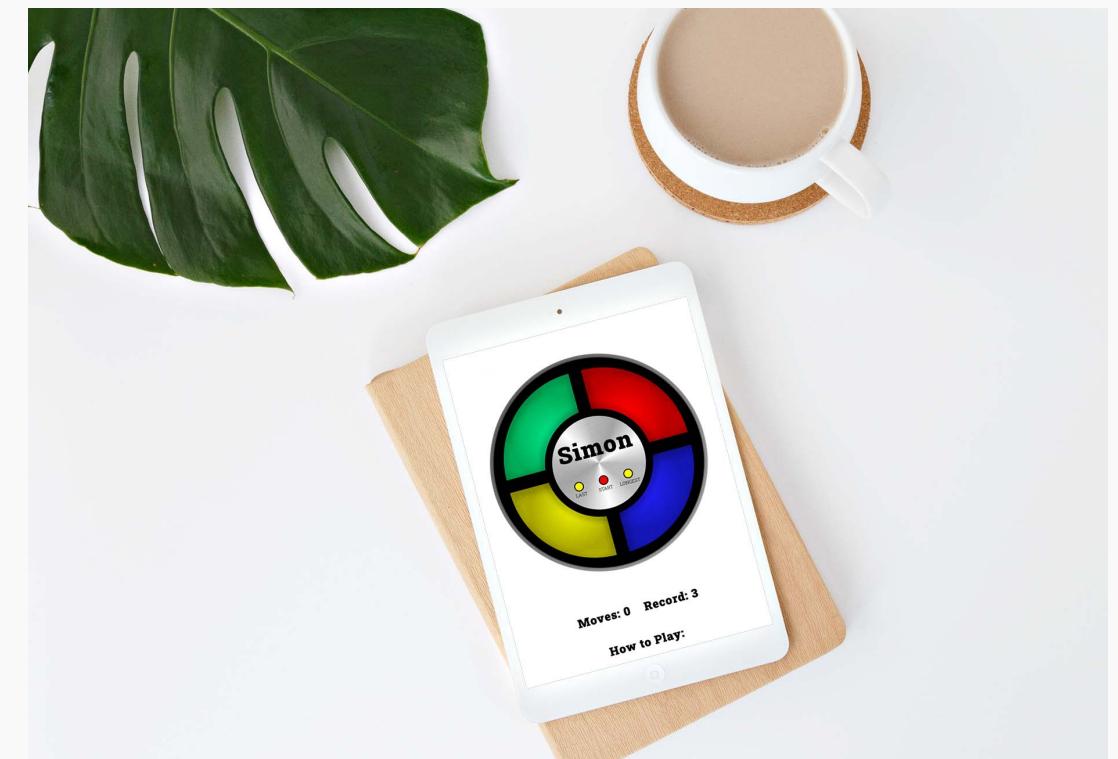

Languages HTML5, CSS3, Javascript

Frameworks Node.js, Express.js

Database mongoDB with Mongoose ODM

Web API Canvas

Simon

The pop culture from the 80's gets (another) web browser version!!! Press the start button. Simon will generate the first signal. Repeat the signal by pressing the same color lens.
